

Meeting Announcement

**DOE and DOE Contractor
Industrial Hygiene Technical Exchange Session
2005 AIHce
Hilton Hotel
California D Room
Wednesday May 25, 2005
5-9 P.M.**

We hope you will plan to join us at the DOE and DOE Contractor Industrial Hygiene Technical Exchange Session at the 2005 AIHce in Anaheim this year.

The agenda includes current topics of interest to the DOE Industrial Hygiene Community such as: status of the DOE 10 CFR Part 851 Worker Safety and Health Program Rule including a dialog on implementation issues and, information of the status of the Nanotechnology policy being developed by EH, SC, and NNSA.

Since September 911 there has been a great interest within the safety and health community regarding emergency preparedness. Developments to generate heightened awareness and participation by the industrial hygiene community will be discussed.

On the agenda at 7:45 is an open discussion on current and future issues affecting industrial hygiene in DOE. If you have a topic you particularly want raised in the meeting, please let me know as well in your reply.

Please RSVP your attendance at the meeting by replying to dave.peggram@eh.doe.gov before May 18th that you are planning to attend. In your reply please include your name, affiliation, and a phone number.

We hope to see you at the DOE meeting this year at the Hilton Hotel, California D Room, Wednesday May 25, 2005, from 5-9 P.M.

Please direct replies and inquires to:

[David K. Pegram, MPA, CIH](#)
